BULLETIN: 4-008

SOFTWARE: Financial Comparison

RELEASE: 1.5.0

DESCRIPTION: New program name and icon name and key code functionality

OVERVIEW

The application and icons have been changed to “Financial Comparison” to simplify the name and make the icon name fully readable. Internal references to the program have also been changed to “Financial Comparison”. The Add/Remove program name will now read “PSST Financial Comparison”, placing all PSST programs together, allowing quick reference.

Key code functionality has been added, enabling web downloads of the application.

ACTION YOU NEED TO TAKE

Download release 1.5.0 from the www.psst.com website, and install in accordance with the normal installation process.
